Re: Real-time Closed Captioning RFP Status Report

Dear Mr. Terreni:

The Request for Proposal to provide real time closed captioning services (RFP# 07-S7402) has been further amended to provide clarification to potential bidders. All amendments to the RFP have been posted on the Information Technology Management Office (ITMO) website. Upon receipt of addition questions, ITMO has suspended solicitation activity and the opening date of the solicitation indefinitely.

We will continue to update you on the progress of this project. Please contact me at 803-737-0814 with any questions.

Sincerely,

Dawn Hipp
Program Manager
